KANSAS
ACTION PERMIT APPLICATION

APPLICANT INFORMATION: **DATE:** _____

Applicant (Action Sponsor): _____

Contact: _____

Address: _____

City: _____ State: _____ Zip: _____

Telephone: _(_____)_____ E-mail: _____

Fax: _____

ACTION DESCRIPTION:

1. **Action Location:** _____

   County: _____ **GPS** *(decimal degrees)*: _____

   Plat Legal: Quarter _____ Section _____ Township _____ Range _____

   Approximate Starting Date: _____

   Estimated Completion Date: _____

2. Attach plans and information to fully describe the proposed action. The information should include sufficient detail to permit determination of how the action will affect threatened and endangered wildlife. Information needed includes but is not limited to: engineering plans or sketch of proposed work, map showing how the action will alter the landscape, complete description of any construction work to be accomplished including location and size of excavation and fill areas, and any other information pertinent to the proposed action.

3. Attach an aerial photo or sketch map of areas to be affected by the proposed action showing existing land and vegetative cover characteristics. Details to be shown include woodland, rangeland, tame pasture, cropland, wetlands, stream, water impoundments, and any other appropriate characteristics. Description of streams within the affected area including channel geometry (average width, depth, etc) and categorize affected stream habitat as pool, riffle, run, or a combination. Describe the stream bottom (e.g., silt, sand, gravel, rubble, bedrock, etc).

APPLICATIONS WILL BE RETURNED THAT DO NOT HAVE SUFFICIENT DETAIL TO PERMIT A COMPLETE EVALUATION.
