

115-7-10. Fishing; special provisions. (a) A person who takes any fish from a body of water shall not tag, mark, brand, clip any fin of, mutilate, or otherwise disfigure any fish in a manner that would prevent species identification, examination of fins, recovery of tags, or determination of sex, age, or length of the fish before releasing the fish back into the body of water, unless a permit authorizing this activity has been issued by the department.

(b) No person may possess any live fish upon departure from any designated aquatic nuisance body of water. Designated aquatic nuisance waters shall be those specified in the department's "Kansas designated aquatic nuisance waters tables," dated August 25, 2011, which is hereby adopted by reference.

This regulation shall be effective on and after January 1, 2012. (Authorized by and implementing K.S.A. 32-807; effective Nov. 20, 2009; amended Jan. 1, 2012.)
